

## **IT Carlow Certificate in Business in Technical Aircraft Management**

### **Lecturer Profiles February 2014**

**Ernie Donnelly** - Ernie is an Aeronautical Inspector with The Irish Aviation Authority and has operational responsibility for the Authority's SAFA (Safety Assessment of Foreign Aircraft) programme.

He represents the Authority on the EASA SAFA steering group and attends the EU Commission Air Safety Committee. Ernie has extensive experience in the regulatory and safety oversight of airline operators and general aviation in Ireland, and has spent considerable time engaged in the airworthiness certification of Irish registered aircraft operated overseas under lease agreements by Irish based aircraft leasing companies.

Ernie started his career with Aer Lingus in 1976 and qualified as a licensed engineer in 1982. He joined the Air Navigation Service Office of the Department of Transport in 1989 and transferred to the IAA on its establishment in 1994, he was appointed to the Board of the IAA in May 2012.
